VISITORS WELCOME

We cordially invite you to visit our display gardens. Our formal and rock gardens, pools and other garden features will be of interest to you and you will find new plants and new features being added constantly. We will gladly show you around any time of the day, evening or Sunday and stock will be dug for you any time except Sunday.

TERMS OF SALE

All orders are accepted subject to previous sale and condition of stock and under the following terms and conditions.

Prices

All prices in this list are F. O. B. Worthington or Columbus. Free deliveries will be made in Columbus and vicinity on any orders amounting to \$3.00 or more.

At the prices named herein 5 plants will be furnished at the 10 rate and 25 at the 100 rate.

Shipping

We will use our own judgment in effecting prompt and safe delivery of your stock unless shipping directions accompany order.

Payments

Cash must accompany orders unless customer is known to us and has an established credit.

Planting Time

Where stock has to be shipped the best planting months are April, May, October and November, however if stock is properly handled it may be planted any time during the summer or any time in the winter that the ground is not frozen. Stock handled in the summer should be dug with a ball of earth and burlapped. Unless specified B and B we make an extra charge for balling and burlaping. The above information is for stock listed in the catalogue and not for perennial plants (see our Perennial catalogue).

Guarantee

We guarantee every plant sold by us to be strong, vigorous and healthy and to deliver them to you in good condition. If for any reason you are not satisfied with your stock when it is received, advise us at once and we will gladly replace the item or refund the money.

EVERGREEN TREES

All Evergreens are dug with a ball of dirt and burlaped at prices quoted.

LARGE TREES

We are prepared to furnish and move trees of large size. The prices quoted include moving with a large ball of earth, preparing soil, drainage, trimming, staking, etc., guarantee for two years.

Prices are subject to change depending on location and condition at planting place.

At prices quoted below we can usually supply American Elm, Pin Oak, Sugar Maple, Sycamore and other varieties of native trees.

The caliper measurement is taken at a point one foot above the ground.

We recommend the winter moving of large trees when possible.

Our price list No. 1 giving a complete list of hardy perennials for the rock garden and the border will be sent to you upon request.

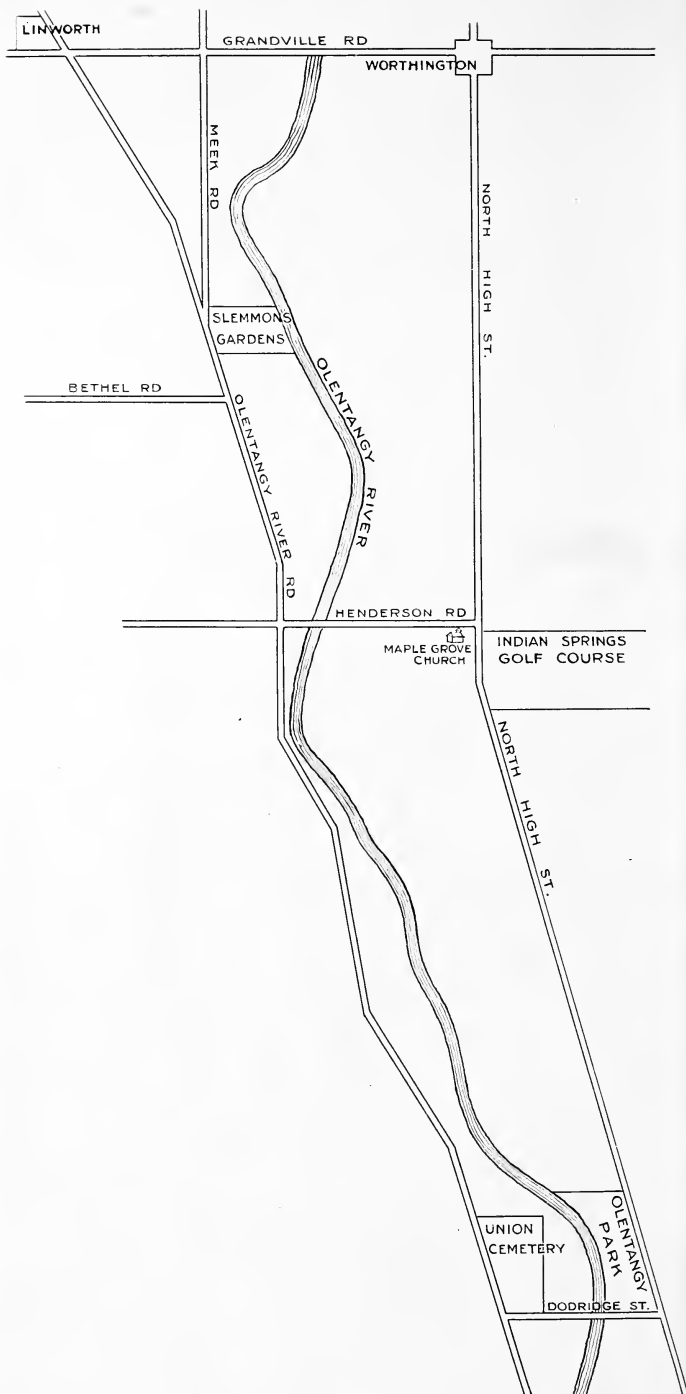

Our landscape service is at your disposal to help you work out your garden problems. Our service includes the making of plans, construction of pools, rock gardens, walks, drives and maintenance work.

We import a full line of Tulips and other bulbs for fall planting.

We are constantly trying out new plants and varieties. As fast as they prove their worth they will be added to our list.

In our landscape work we use many plants not listed in this catalogue. Through our connection with nurseries all over the country we are able to supply almost any plant or list of plants that you may want.
